

# FEATURE MARBLE

HANDCRAFTED FIREPLACES

MADE IN GREAT BRITAIN

Feature Marble specialises in the production of high-quality fireplaces and fire surrounds.

Founded in 1989 in the South-West of England, we combine skilled craftsmanship and state of the art technology to produce the ideal fireplace for you.

We offer a wide range of traditional and contemporary designs perfect for everything from gas fires, electric insert fires or wood burning stoves.

By importing the best quality marble, granite, slate and limestone from across the globe, it means our designs are often available in a wide variety of materials and/or colours

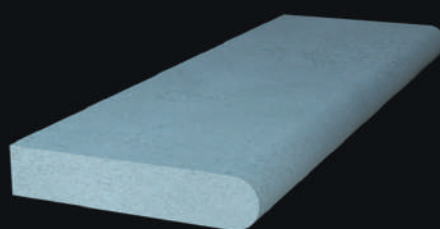

Many of our designs can be altered to fit your unique requirements, however if you don't see something that fits your requirements, we also offer a bespoke production service.

In addition, Feature Marble also offer a wide range of custom Hearths, Panels and Chambers.

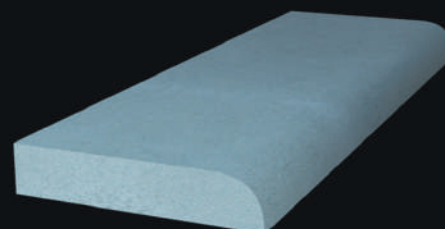

Our Hearths Range includes T-Shape hearths, Circular, Half Moon, Rounded Corners and hearths with profile Edges plus many more.

For further details please ask your local Stockist.
